Function 3: Information on Hospitals for covid-19

The screenshot shows the website www.mohw.go.kr with the following content and annotations:

- Page Title:** 코로나19 선별진료소 및 국민안심병원 현황 (20년 3월 18일 기준) - The status of selected hospitals for COVID-19 (as of 3/18/2020)
- Text Content:**
 - ※ 암, 심장질환 등 호흡기질환이 아닌 환자들께서는 코로나19에 대해서 안심하고 국민안심병원을 방문하십시오.
 - ※ For those who do not have a respiratory disease such as cancer or cardiovascular disease, please visit to designated public relief hospitals.
 - ※ 患有癌症、心脏病等非呼吸道疾病的患者可减缓对感染新型冠状病毒肺炎的焦虑，安心前往国民安心医院就诊。
 - ※ 호흡기 증상이나 코로나19 증상 의심시에는 먼저 관할 보건소 또는 1339 콜센터 등의 상담을 받으신 후 선별진료소를 방문하십시오.
 - ※ If respiratory symptoms appear and you suspicious of COVID-19, please get the consultation from 1339 call center or public health center first then visit a COVID-19 screening center.
 - ※ 出现呼吸道症状或疑似感染新型冠状病毒肺炎时，请先向管辖区保健所或1339呼叫中心进行咨询后再前往指定诊疗机构。
- Navigation and Filter Buttons:**
 - 국민안심병원 (Annotated: Respiratory clinic separated hospitals)
 - 승차검진 선별진료소 (Annotated: hospitals with drive through test facilities)
 - 검체채취 가능 진료소 (Annotated: Hospitals equipped with sample collection facility)
 - 전체 선별진료소 (Annotated: All hospitals selected for Covid-19)
- Search Function:** 검색 (Annotated: Search)

Function 4: Connect to 1339(Connection number to Korea CDC)
